NVSS TeachSpeech App – Free for One Year!

We are excited to give you **one year of free access** to the **NVSS TeachSpeech app**. This app was created to support your child's speech practice at home with activities that build skills and confidence.

What You'll Find in the App

- Expert-designed videos that show you how to support your child's speech development
- Clear step-by-step resources for practicing speech sounds
- Engaging games that make practice enjoyable
- Printable activities to practice speech away from screens

How to Get Started:

1. Download NVSS TeachSpeech from the App Store or Google Play or by scanning the QR code below.

2. Create an account.
3. Enter your exclusive access code: **{{ code }}**
4. Add any sound errors listed in your child's speech screen report.
5. Explore the games, videos, and Language Library — and start practicing together!

A Helpful Tip

Try making speech practice part of your daily routine — before school, after supper, or right before bed. Just a few minutes each day can create meaningful progress!

Your support is the key to your child's success, and we're here to support you every step of the way!
